

**DRAFT AGENDA**  
**Community-Based Code Enforcement**  
**Virginia Tech Code Enforcement Technical Assistance Team**  
**YNDC Offices**  
**Wednesday, April 1<sup>st</sup>, 2015**  
**6:00 to 7:30 pm**

**Welcome and Introductions**

- Ian Beniston, YNDC Executive Director
- Joe Schilling, Virginia Tech
- Goals for Tonight's Meeting
- Go Around the Room—Brief Introductions of Community Leaders and TA Team Members

**Background Re the Wean/YT Foundation Grant for this CE Capacity Building Project**

- Internal Focus
- Community Connections and Actions
- Phase I
- Phase II

**Tonight's Discussion—we want your feedback and ideas on four core questions**

- What is Code Enforcement? Reflect on the goals of CE generally and in Youngstown. What does it do for you, your neighborhood, and the community at large? What should or could it do?
- What/How has CE done lately? The positive and negative actions.
- What would you like CE to do? Are there particular issues or problems that it should focus upon?
- What can the community (you and your organization) do to help CE move forward in your neighborhood and throughout the community?

**Wrap Up and Next Steps**
